**To whom it may concern**

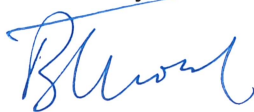

As a co-author of the publication:

W. Dimitrov, T. Tomov, K. Kamiński, M. Polińska, I. Iliev and M.K. Kamińska, 2018, Acta Astronomica  
Vol. 68, p. 141-158

*GT Ursae Majoris AB - a Possible Quadruple System*

I communicate my agreement for using the above mentioned paper for the habilitation of Dr. Wojciech Dimitrow. My contribution to the paper was limited to acquiring and processing part of the spectra, as well as participating in the discussions.

Sincerely,

Toma Tomov
